

# MAKE DECEMBER MATTER PLANNING SHEETS

POWERED BY **PLANSIMPLE**

---

**For you...**

**I am over the moon excited that we all have so many planning tools to make this holiday season and 2020 AMAZING!!! This is meant to help you understand how overwhelm is just your perception of the world outside of you. In your heart, the world is calm, loving, perfect. Through the Make December Matter Experience, we are making a plan to slow things down, and shift the focus, so we can connect with the part of ourselves that is already there waiting patiently to be heard. You may decide to do one planning sheet or 30 (over time). There is no right way to use this information, only your way. And your way, is perfect.**

**The videos are meant to be watched before attempting workbook pages. If you want more time or support, consider the upgrade at [makedecembermatter.com](http://makedecembermatter.com).**

**Yours.**

# MORNING RITUAL

Just 30 minutes in the morning — and start with 15 — can be transformative, because knowing who we are and what we want is the most powerful thing that women can have. Ask questions like:

***What am I meant to do? Where am I going?  
What is my highest potential? Who am I?***

Sit with these questions in the quiet space. If early morning REALLY doesn't work for you, set aside another time of day, and hold it sacred for yourself.

**HOW MANY DAYS AM I WILLING TO TRY THIS NEW HABIT?**

**WHAT TIME DO I NEED TO WAKE UP TO HAVE 15 QUIET MINUTES TO MYSELF?**

**WHERE WILL I SPEND THIS TIME?** IN BED, IN A SPECIAL NOOK, IN A CERTAIN ROOM?

**IS THERE ANYTHING I NEED TO DO TO MAKE THE SPACE MORE RELAXING?** DECLUTTER, ADD A BLANKET, BUY A CANDLE?

But as Oprah says, "We can have it all, just not all at once." Like you committed to when you will do the work of today, also commit to when you will work with , read or watch the offerings of the speakers. # VISION BOOK

**Create a Vision Book.** Start with your intention for the year. Then fill your book with anything that supports that intention. You can make the book pretty if you want but don't get hung up on that. Use the checklist and Desha's descriptions in the video for ideas about getting your book started.

## CHECKLIST

- Get a new journal. Doesn't have to be expensive, but you should love it.
- Pick a word or an intention to focus on for a period of time. January is a good time to start a new vision book and pick an intention for the year.
- Gather bits and pieces that inspire you — images, quotes, your own ideas, your child's art, love notes, or anything that visually supports your intention.
- Create a basket or folder, so as you see inspiring images or quotes, you can collect them to add to your vision book whenever you have the urge.
- Add your dreams, big biz ideas, accomplishments and even beautiful reminders about financial gifts you've either earned or been given.
- Put some DATES in your calendar to start and revisit. Visit your vision book often — once a week or even once a month to remind yourself of what's important to you so you can keep taking action towards the cause and remind yourself of what you've already accomplished.
- Make a list of possible pages to the right.

## PAGES

SOMETIMES THE BLANK PAGE CAN BE THE HARDEST. MAKE A LIST OF PAGES YOU WANT TO CREATE, OVER TIME IN YOUR BOOK. THINK OF PAGES AS PINTEREST BOARDS. HERE ARE SOME IDEAS TO GET YOU STARTED.

AN INTENTION PAGE  
A MONEY PAGE OR TWO  
A HOME PROJECT  
A TRAVEL PAGE  
ORACLE PAGE  
RELATIONSHIP PAGE  
BIZ PAGE  
FAMILY PAGE
